  - a) Written description of the act or actions that comprise the alleged wrongdoing, including the date and time of the action(s);

11. After receiving the report, the Compliance Officer has the responsibility to:
  - a) Assure the Worker of Softball Canada's Pledge
  - b) Connect the Worker to the Alternate Liaison if the individual feels that he or she cannot act in an unbiased or discrete manner due to the individual's role with Softball Canada and/or the content of the report
  - c) Determine if the report is frivolous, vexatious, or not submitted in good faith (e.g., the submission of the report is motivated by personal interests and/or the content of the report is obviously false or malicious)
  - d) Determine if Softball Canada's *Whistleblower Policy* applies or if the matter should be handled under Softball Canada's *Discipline and Complaints Policy*
  - e) Determine if the local police service be contacted
  - f) Determine if mediation or alternate dispute resolution can be used to resolve the issue
  - g) Determine if Softball Canada's Chairperson and/or Chief Executive Officer should or can be notified of the report

## Alternate Liaison

12. If the Worker feels that the Compliance Officer is unable to act in an unbiased or discrete manner due to the individual's role with Softball Canada and/or the content of the report, the Worker should contact the following individual who will act as an independent liaison between the Worker and the Compliance Officer:

**Steven J. Indig, LLB**  
**Sport Law & Strategy Group**  
**SJI@sportlaw.ca**

13. The Alternate Liaison will not disclose the Worker's identity to the Compliance Officer or to anyone affiliated with Softball Canada without the Worker's consent.
14. A Worker who is unsure if he or she should submit a report, or who does not want to have his or her identity known, may contact the Alternate Liaison for informal advice about the process.

## Investigation

15. If the Compliance Officer determines that an investigation should be launched, the Compliance Officer may decide to contract an external investigator. In such cases, Softball Canada's Chief Executive Officer and/or President may be notified that an investigation conducted by an external investigator is necessary without the nature of the investigation, content of the report, or identity of the Worker who submitted the report being disclosed. Softball Canada's Chief Executive Officer and/or President may not unreasonably refuse the decision to contract an external investigator
16. An investigation launched by the Compliance Officer or by an external investigator should generally take the following form:
  - a) Follow up interview with the Worker who submitted the report
  - b) Identification of Workers, participants, volunteers or other individuals that may have been affected by the wrongdoing
  - c) Interviews with such-affected individuals
  - d) Interview with the Director(s) or Worker(s) against whom the report was submitted
  - e) Interview with the supervisor(s) of the Director(s) or Worker(s) against whom the report was submitted
17. In all stages of the investigation, the investigator will take every precaution to protect the identity of the Worker who submitted the report and/or the specific nature of the report itself. However, Softball Canada recognizes that there are some instances where the nature of the report and/or the identity of the Worker who submitted the report will or may be inadvertently deduced by individuals participating in the investigation.
18. The investigator will prepare an Investigator's Report – omitting names whenever possible and striving to ensure confidentiality – that will be submitted to Softball Canada's President and/or Chief Executive Officer for review and action.

## Decision

19. Within fourteen (14) days after receiving the Investigator's Report, Softball Canada's President and/or Chief Executive Officer will take corrective action, as required. Corrective action may include, but is not limited to including:
  - a) Enacting and/or enforcing policies and procedures aimed at eliminating the wrongdoing or further opportunities for wrongdoing;
  - b) Revision of job descriptions; or
  - c) Discipline, suspension, termination, or other action as permitted by Softball Canada's Bylaws, provincial employment legislation, any relevant and applicable Softball Canada policy, and/or the Worker's Employment Agreement or Contractor Agreement.
20. The corrective action, if any, will be communicated to the investigator who will then inform the Worker who submitted the report.
21. Decisions made under the terms of this Policy may be appealed under the terms of Softball Canada's *Appeal Policy* provided that:
  - a) If the Worker who submitted the initial report is appealing the decision, the Worker understands that his or her identity must be revealed if he or she submits an appeal, and
  - b) If the Director or Worker against whom the initial report was submitted is appealing the decision, the Worker or Director understands that the identity of the Worker who

submitted the report will not be revealed and that Softball Canada will act as the Respondent

**Confidentiality**

Confidentiality at all stages of the procedures outlined in this Policy – from the initial report to the final decision – is assured for all individuals (the Worker, the Worker(s) against whom the report is submitted, and the individuals interviewed during the investigation). An individual who intentionally breaches the confidentiality clause of this Policy will be subject to disciplinary action.
