You are on your way to a Softball Canada Canadian Championship!

You should be proud of your accomplishment-the many hours of practice, the participation in numerous tournaments and the personal sacrifice has finally paid off.

Everyone at Softball Canada, your Provincial/Territorial Softball Association, and your Canadian Championship Host Committee are all working hard to make this a memorable experience for you.

This Guide provides teams attending the championship with an overview of what can be expected when they attend a Canadian Championship. Please take the time to read it carefully. Each year there may be changes approved by the membership and implemented the following year. These changes will be listed at www.softball.ca with the current Special Operating Rules (SOR). We hope that this guide will provide you with the answers to most of your questions. Note – the SORs will take precedent over any written rule in the Team Guide.

If you have any further questions, please direct them to your Provincial/Territorial Association or Softball Canada.

Good luck... and enjoy!

HAVE YOU TOUCHED ALL THE BASES?

FIRST BASE: TASKS TO DO UPON QUALIFYING

RESPONSIBILITIES

Teams:

- Teams are completely responsible for ALL expenses incurred while participating at a Canadian Championship. Please ensure that all accommodation expenses have been paid prior to your final departure.

Provincial/Territorial Associations (P/T):

- Confirm participation in the Canadian Championship by June 7th (May 1st for SP) of the year of the event. A province/territory registering a team after the deadline shall be charged late fee of \$500.
- Each Provincial/Territorial Association will be charged a registration fee for each team entered in a Canadian Championship. The registration fee will be \$850 per team. **This cheque is collected by your Provincial/Territorial office.**

Note: A P/T withdrawing a Slo-Pitch team between May 1st – July 15 deadline will forfeit their registration fee and will be fined \$1,000. After the July 15th deadline, the fine will be \$2,000. This penalty will be equally divided between Softball Canada and the Host.

A P/T withdrawing a Fast Pitch team **between** June 7th – July 15th deadline will forfeit their registration fee and will be fined \$1,000. After the July 15th deadline, the fine will be \$2,000. This penalty will be equally divided between Softball Canada and the Host.

- Determine team representation from the P/T. Initially each P/T in good standing shall be entitled to one representative team at each Canadian Championship. However, other representative teams may include:
 - A host team
 - Defending champions from the previous year's championship (in the same category)
- Review the eligibility of players on the P/T representative team(s) roster.
- Review the eligibility of managers and coaches on the P/T representative team(s) roster.
- The Head Coach is Competition - Introduction Certified in the National Coaching Certification Program and attends all games and on the team's bench. All Assistant Coaches are Competition - Introduction Trained (Fast Pitch only) for U20 categories and below.
- If the Head Coach is not fully Certified and in attendance at all games and on the team's bench, then all coaching staff will not be allowed on the field or in the coaches' box at a Canadian Championship. If the Head Coach is Certified and in attendance at all games and on the team's bench, then the coaching staff (coach, assistant coaches, and

manager) may go on the field. If an Assistant Coach is not Trained or Certified (per above) they will not be allowed on the field or in the coaches' box.

- a) A province/territory sending a team to a Canadian Championship without the Head Coach Competition - Introduction Certified will be fined \$2,500.
- Approve, in writing, any player, coach or manager addition to the P/T representative team roster.
- Sign and email copies of the Softball Canada Canadian Championship Official Players List (OPL) and the respective forms to the Softball Canada national office, the Supervisor, and the respective Host Committee Chairperson at least two weeks prior to the tournament. In the Men's Fast Pitch category, the rosters will be made public two (2) weeks prior to the Championship. Teams arriving without forms will not be allowed to participate.
- Ensure that the P/T representative team(s) is aware of the Special Operating Rules (SORs) as they apply to Canadian Championships and in particular to the rules that dictate:
 - a) Mandatory attendance at the Coaches/Managers Meeting
 - b) Uniform requirements
 - c) Helmets and Facemasks
 - d) Attendance at opening banquets, opening ceremonies, etc.
 - e) Official Players List (OPL)
- Ensure that the P/T representative team is aware of the importance of contacting the Host Committee immediately upon qualifying for the Canadian Championship. This will assist the Host and team(s) in making travel and accommodation arrangements.
- Confirm Host Hotel booking requirements ASAP or at least three (3) weeks prior to the Championship.
- A province/territory withdrawing from a Canadian Championship before completing their schedule will be fined \$1,000.

COMMUNICATION

Provincial/Territorial Association:

- If the P/T Association has made any travel arrangements on behalf of the team
- If there are any funding opportunities provided by the P/T Association

Teams:

The coach or manager of each team must contact the Host Chairperson immediately upon qualifying. The host has deadlines for things such as booking rooms, etc. that are very time sensitive. We have developed an “Unofficial” Players List Form to assist hosts with obtaining team information to use in the setting up of their souvenir programs and website (see Appendix 1).

Please complete the form and submit it to the Host Chairperson immediately.

TRAVEL ARRANGEMENTS

Arrival Date & Time: One team representative MUST be in attendance for the Coaches/Managers Meeting usually held on the day prior to the first day of competition for ALL Canadian Championships. Please verify the time with the host. Teams should also make every effort to arrive on time for the banquet that is usually held between 4:00-8:00pm on the day before competition begins.

Departure Date & Time: While some teams may want to leave a Canadian Championship on their last day of competition, it is strongly recommended that the earliest departure be scheduled for the morning after completion of the Championship in case of inclement weather and the rescheduling of games.

SECOND BASE: TASKS TO DO BEFORE THE CHAMPIONSHIP

OFFICIAL PLAYERS LIST & REGISTRATION FORMS

Teams: Complete the Softball Canada Official Players List (OPL) from your P/T and return it to your P/T Softball Association for approval. The P/T Softball Association will then forward a completed copy of the OPL to the appropriate parties (Softball Canada, the Supervisor and the host).

These forms must be received by Softball Canada **a minimum of (2) weeks prior** to the start of the Championship.

If a player or a coach who is added during the two (2) weeks prior to the start of the Championship, the team must have a letter or email signed by the Provincial/ Territorial Softball Association representative authorizing the additional player(s) or coach(es).

Each team must carry a copy of the OPL to the Coach/Managers Meeting or will be ineligible to participate.

PROMOTIONS

Most Host Committees will request a team photograph, roster, and background information. This material is used in the event program. You may also choose to provide your local media contact with information as a way to keep your hometown informed.

BAT RETRIEVERS (FP ONLY)

Bat retrievers may be supplied for each participating team. Inform the Host Chairperson, thirty (30) days in advance of the tournament if your team is bringing its own Bat Retriever. Helmets must be worn by Bat Retrievers, and it is recommended that they be 10-12 years of age. Softball Canada is pleased to supply a gift to one Bat Retriever per team.

TRADER PINS

Be prepared to exchange a provincial/territorial, city, town, etc. souvenir pin with each player of every new opposing team. Bring a generous supply of extra pins, as you will find spectators and umpires also eager to trade.

MEDICAL INFORMATION

Teams: It is the responsibility of the coaches to identify and to notify the Championship Supervisor and Host Committee of any players on their team(s) suffering from a disorder or injury who might require special treatment or medical attention.

Host: In most cases, the Host Committee will arrange for medical professionals such as physiotherapists, dentists or doctors as needed. The Host will also set up a medical area at each Championship to evaluate each medical situation.

NOTE: Please read carefully - the Concussion protocol located on Softball Canada's website, <https://softball.ca/policies>.

SOCIAL FUNCTIONS & EVENTS

1. We strongly encourage Host Committees to organize a variety of social functions for all participants at Canadian Championships. Participating teams should make every effort to attend these functions. They are an excellent opportunity to socialize with others off the field.
2. The host is required to organize a banquet for the teams at U15, U17 and U19 (W) / U20(M) Championships. The Host Committee will provide tickets for up to a maximum of 22 people (maximum of 17 players and 5 staff) for the banquet. The exact number will be determined by the individuals listed on the OPL. The Host Committee is allowed to charge up to a maximum of \$25 for each banquet ticket. The banquet is for the teams, but the host may choose to sell tickets to team supporters if there is room. If a team will not be participating in the banquet, please inform the host at least **one week** prior to the banquet.
3. ALL teams must participate in the Opening Ceremonies. Opening Ceremonies are **not** required for Slo-Pitch. Details pertinent to the Opening Ceremonies will be discussed at the Coaches/Managers Meeting. The exact time of the ceremony varies, but usually takes place on the first day of competition between 3:00 p.m. and 7:00 p.m.
4. Awards presentations for the All-Star Team and various Individual Awards take place between the first two (2) games of the Championship Round when ideal.
5. The top three (3) teams (gold, silver, and bronze medal winners) will participate in the Closing Ceremonies that take place immediately after the final game.

OFFICIAL SCHEDULE

The schedule for ALL Canadian Championships should be available no later than three (3) weeks prior to the start date. A copy of all draws may be obtained from your respective Provincial/Territorial Softball Association. The official draw will also be posted on the Championship website.

NOTE: There may be revisions to the schedule made at any time.

SPECIAL OPERATING RULES

It is imperative that all coaches/managers review the Special Operating Rules prior to attending a Canadian Championship. Rules are outlined in the current Softball Canada Rulebook and shall apply for all Canadian Championships. The SOR can be viewed at www.softball.ca. It can be found under Resources (Rulebook).

THIRD BASE: AT THE CHAMPIONSHIP

UNIFORMS AND EQUIPMENT

Please note that all Canadian Championship teams must have more than one set of uniform jerseys, each in a different colour (light and dark). Helmets are to be worn at all Championships. If a team has only one set of uniforms, please inform the Host and Softball Canada Supervisor as soon as possible.

COIN TOSS FOR HOME TEAM ADVANTAGE

'Home' and 'away' in the Qualifying Round will be determined at the Coaches/Managers meeting prior to the start of the Canadian Championship by the coin toss. In the **next round of play**, home teams will be determined by the **previous** round standings, the higher placing team will have a choice of inning.

- If **two or more** divisions were in the previous round, the highest placed team from the division pairings will have choice of inning **in the first game**.
- **In subsequent games, the higher ranked team of all divisions (of the previous round) combined will have choice of inning.**
- If teams **of all divisions combined (of the previous round)** are ranked equal, a coin toss will determine the higher placing team.

Exception: In the Championship Game, the undefeated team in the Championship Round will have the choice of inning (i.e., home, or away).

PRACTICE SCHEDULE

All Host Committees will make practice times available for those teams wishing to take advantage of this service. All team requirements must be communicated to the host.

ALL-STAR AWARDS

The All-Star Team will be announced prior to the start of the Championship Round. Athletes receiving an award are asked to be in attendance for the presentations between the first two games of the Championship Round.

TEAM CONDUCT

The success and quality of a Canadian Championship depends greatly on the participation, behaviour and integrity of all teams involved. Be prepared to conduct yourselves with dignity at all times. Remember, you represent your province/territory as well as yourself! Misconduct, on or

off the playing field, will not be tolerated. Teams will be disqualified from the Canadian Championships for improper behaviour. The Supervisor of the Canadian Championships, if necessary, will make this decision. Please review Softball Canada's Discipline Policy.

VIDEO RECORDING

Video recording from the dugouts is prohibited.

COMMUNICATION

An arrangement must be made with the Host Committee for a local cell phone or land line for communication purposes in case of re-scheduling of games or inclement weather.

The Discipline Committee will make rulings on any incidents that occur during Canadian Championships. Incident Report Forms must be completed by all parties. These forms will be available in the Umpires' change rooms during the tournament or can be obtained from the Supervisor.

All incidents must be reported even if no further action is required. Provincial/Territorial Associations wish to be informed of all incidents involving their teams at Canadian Championships. Incident reporting may be for both on and off field incidents. See Softball Canada's Discipline Policy located on Softball Canada's website, <https://softball.ca/policies>, for more information.

In all matters of Canadian Championship Discipline, the Supervisor shall have final authority.

The reporting process will be:

- An Incident Report Form will be completed by all parties involved (i.e., the umpire and coach and/or player will each give a written account of the events).
- Based on the report, the Discipline Committee will decide if a minor or major infraction occurred.
- If the incident was a minor infraction, the Discipline Committee will determine a disciplinary sanction.
- If the incident was a major infraction, the Discipline Committee will convene a hearing and determine a disciplinary sanction.

MEDIA COVERAGE

Your local media may be interested in relaying your game results to your fans. If so, collect their contact information (see Media Contact Information Form in **Appendix 2**) and forward it to the Host Committee.

The Host Committee will add your local media to their media list and forward game results for your team. It is recommended that you contact your local media a few times throughout the week to ensure that they are receiving the results.

THEFT

Theft will not be tolerated at any of the Championships. Theft of banners, signs, water jugs, etc., will be directed immediately to the local police.

NATIONAL TEAM SCOUTS

National Team Scouts may be present at some Canadian Championships identifying and evaluating possible candidates for the Softball Canada National Teams Program.

DRUG TESTING

The Canadian Centre for Ethics in Sport (CCES) is a national, non-profit organization committed to a fair and ethical sport system through the promotion of doping-free sport, equity, fair play, safety, and non-violence. The CCES works closely with National Sport Organizations (such as Softball Canada), athletes, coaches and others to promote and strengthen the positive values and rewarding experiences of sport.

An important mandate of the CCES is the prevention of doping in sport. The CCES fulfils this mandate through a comprehensive approach involving research, education, advocacy, detection, and deterrence. As part of this mandate, the CCES manages all aspects of doping control in Canada, including the appeal, arbitration and reinstatement systems that are in place to protect athletes' rights.

From time-to-time the CCES will conduct in-competition doping control at a sporting event. The common perception is that this only occurs at major international events such as the Olympic Games, Pan American Games or a World Championship. However, all athletes in Canada are subject to drug testing at any time including during participation at events like the Canadian Softball Championship.

For competitions at which event doping control is planned, the Host Committee should be contacted in advance by the National Sport Organization (Softball Canada) and/or the CCES. This will allow ample time to set-up the necessary facilities and recruit volunteers.

In the event of no-advanced notice in-competition, the Doping Control Officer (DCO) will simply show up at your event and execute doping control under the CCES guidelines. It is requested that you provide assistance to the DCO, if required.

For more information regarding doping control procedures please consult the CCES the Canadian Centre for Ethics in Sport (1-800-672-7775 or 613-521-3340).

DOPING

Softball Canada has adopted the Canadian Policy on Doping in Sport and as a result all softball events are subject to doping control testing. Therefore, all participants in Canadian Championships are subject to drug testing. It is important to note that due to the cost of these tests, testing may not be carried out at all events and quite possibly at any events. But you should prepare your athletes as there is always a possibility. If you would like further information on the doping policy, contact the Canadian Centre for Ethics in Sport (1-800-672-7775) or at www.cces.ca

HOME RUN: AT THE END OF THE CHAMPIONSHIP

CANADIAN CHAMPIONSHIP EVALUATION FORM

You will be sent a link to an electronic survey/evaluation form to be completed after the Championships. This information is very helpful to further improve the Canadian Championships. Please complete this evaluation by September 15.
